9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 07-17-2015 at 1512 hours I responded to a non injury traffic crash at the intersection at South High Street and West Hill Street in Neosho, Missouri.

Upon my arrival I observed a maroon Buick four door passenger car identified by Missouri registration SK4Z8D, vehicle 2 (V2) sitting partially in the intersection, facing the northwest. It had front driver's side damage around the wheel and fender area.

I also observed a silver Nissan two door passenger car identified by Missouri registration YH9C6Z, vehicle 1 (V1) sitting on the curb at South High Street at the intersection facing north toward Hill Street. It had front bumper damage.

I spoke with the driver of V2, identified by her Missouri driver's license, Heather Schneider. She told me she was driving west bound on West Hill Street as she came toward South High Street, she saw V1 stop at the stop sign, she continued west bound and V1 came out into the intersection and struck the front driver's side of her car. V2 was inoperable and could not be moved due to damage. Ms. Schneider requested Poore's Towing come and tow the vehicle.

I spoke with the driver of V1, identified by his Missouri driver's license, Scott Cradduck. He told me he stopped at the stop sign and looked both ways and then continued in to the intersection because he did not see anyone coming. He said it was like out of nowhere V2 was there and he struck V2. Mr. Cradduck told me he backed his vehicle up due to the hill crest for safety, because he was blocking the intersection with his car. V1 was operable and Mr. Cradduck drove it from the scene.
