9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 08-08-2015 at approximately 0117 hour's officers responded to the intersection of Highway 59 and Industrial Drive, in reference to a traffic crash. A traffic crash report was taken.

I arrived on scene and observed a white in color passenger car facing north on Highway 59 in the outside lane, the vehicle was at the stop light of Highway 59 and Industrial Drive. I also saw a blue in color sport utility vehicle (SUV) parked on the outer road in front of Burger King. The white passenger car had significant damage to the front of it; the SUV did not appear to have any damage done to it. The white passenger car is going to be referred to as vehicle 1 (V1) and the SUV will be vehicle 2 (V2). The driver of V1 was identified as Debra Greene and will be referred to as driver 1 (D1), the driver of V2 was identified as Brian Daugherty and will be referred to as driver 2 (D2).

I spoke with D1 after she was treated for some small lacerations on her right arm by Emergency Medical Services personnel. I asked D1 what happened, D1 explained she was traveling north on Highway 59 at approximately 45 miles per hour. D1 went on to say she knew she was approaching Industrial Drive, she could not remember if the traffic light was green or red. D1 one stated she did remember a vehicle in front of her in the same lane but could not remember if it was stopped or if it was in motion. D1 explained the next thing she could remember was crashing in the back of V2.

I spoke to D2 next in reference to the traffic crash, D2 explained he was stopped at the traffic light at Highway 59 and Industrial Dr and was going to continue north. D2 said the light turned green and he started to go straight, he said he just started to move when he was struck by D1 in the back of his vehicle. D2 said he moved the vehicle to where it was sitting to get it out of the roadway. I asked if he could remember if V1 was stopped behind him at the stop light and he stated it was not.

I also spoke with the passenger in V2 who was identified as Barbara Ford; I asked if she could remember anything that happened. She said all she remembered was the traffic light turning green and D2 start moving then the crash occurred.

V1 was towed by Poores Auto Salvage due to disabling damage.

No further.
