9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09-12-2015 at approximately 1813 hours I responded to the area of north College Street and Washington Avenue, in reference to a traffic crash. A traffic crash report was taken.

I arrived on scene and observed a red in color sport utility vehicle (SUV) facing south on College Street. I also saw red in color Dodge truck facing north on College Street. I made contact with Francis Biss who is the driver of the truck he is going to be referred to as driver 2 (D2) in this report. D2 said he was traveling north on College Street and he saw a red SUV coming towards him traveling south. D2 went on to say the SUV began to come over into his lane as they got closer to each other, he explained he tried to stop and avoid the SUV but was unable to. He explained the SUV struck the back of his truck.

I spoke with Kimber Lopez who is going to be referred to as driver 1 (D1) in this report. I first asked D1 if her vehicle could be moved from the roadway into a side parking lot, she said she would do so. The vehicle was removed from the roadway without further incident. I then asked D1 what happened, D1 explained she was traveling south on College Street. D1 said she believes she was in her lane and never crossed over in the opposing lane. I asked her if the truck crossed over into her lane and she stated she did not know. D1 explained she was not distracted by anything and was not on her phone. She said she was just driving and thinking.

D1 and D2 did not request medical treatment and D2 drove his vehicle away from the scene. D1 called for a preference tow truck company out of Carthage, MO and the vehicle was towed from the scene do to disabling damage. There were no witnesses to the accident.

No further.
