9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09/18/2015 at approximately 11:51 hours officers responded to the parking lot of Orscheln to take a report of a traffic accident that occurred at the intersection of West Harmony Street and South Neosho Boulevard.

When I arrived on scene to the parking lot of Orscheln I observed two vehicles were involved. Vehicle one was a 2015 Chrysler Town and Country minivan, vehicle two was a 1999 Honda Valkyrie. Vehicle one was driven by William Punch, vehicle two was driven by Michael Hall.

I spoke to Michael Hall. Mr. Hall stated he was not injured and did not need medical attention. He advised he was traveling south on Neosho Boulevard into the intersection when vehicle two turned left in front of him, causing him to strike the back of the motorcycle. He stated he was not going very fast and slammed on his brakes before hitting the motorcycle. His vehicle sustained minor damage to the front and was driven from the scene.

After speaking with him I made contact with Mr. Hall. Mr. Hall stated he was in the left turn lane, saw the other light beside him turn green and thought his did too then tried turning left before realizing his light was still red. His vehicle sustained minor damage to the rear and was driven from the scene.

I have nothing further to report at this time.
