9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09-21-15 at approximately 1115 hours, I was dispatched to the area of Missouri Highway 59 and Cockrell Drive for a report of an injury traffic crash.

Upon arrival, I observed three damaged vehicles. Vehicle one, a red 2004 Chrysler Town and Country bearing Missouri registration AG8L3G, was sitting in the ditch on the west side of MO Hwy 59 south of Aguilera Auto Sales driveway. Vehicle two, a gray 2004 Nissan Armada bearing Missouri Temp registration 011LWC, was sitting in the gravel driveway for Aguilera Auto Sales. Vehicle three was a parked vehicle that was for sale and parked on the grass at Aguilera Auto Sales.

I spoke with Valerie Tran, the driver of Vehicle One. She was in the back of the ambulance being prepared for transport. Ms. Tran appeared to be injured and was not able to tell me what happened. Ms. Tran was transported to Freeman Neosho ER.

I spoke with Irma Aguilera, the driver of Vehicle Two. She said she was driving southbound on MO Hwy 59 and was slowing to turn into Aguilera Auto Sales. She said she looked in her rearview mirror and observed Vehicle One coming up behind her very quickly. She said she could not get out of the way quick enough and Vehicle One struck her vehicle in the rear. She told me that Vehicle One continued on after the crash and struck the curb, then another vehicle in front of Aguilera Auto Sales. Ms. Aguilera said she was not injured and she was able to drive her vehicle from the scene. Ms. Tran was transported to Freeman Neosho ER for treatment and advised that she wanted Dickson's Towing to tow her vehicle.

I spoke with the emergency room doctor and he advised me that Ms. Tran had some sort of "black out spell" and most likely did not have control of the vehicle during the crash. I spoke with Ms. Tran again, at the emergency room, and she told me she does not remember any of the crash. She said she has had issues with "blacking out" in the past and she assumed that is what happened today.

I have nothing further at this time.
