9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 09-28-2015 I responded to a two vehicle non injury traffic crash, at the intersection of South Jefferson Street and West Spring Street. I was informed that a white Chevrolet S-10 and a white Chevrolet dually are involved. Prior to my arrival both vehicles were moved from the roadway and they were in a parking lot awaiting my arrival.

Once on scene I observed a white Chevrolet dually truck identified by Missouri 1BM34 vehicle one (V1). I spoke to the driver, Lyndell Clark identified by his Missouri driver's license. He told me he was west bound and stopped at the flashing red stop light. Mr. Clark said he did not see anyone and entered the intersection and was struck by vehicle two. V1 had damage to the front left and it had fender damage against the front left tire. He advised me he has Cottrell's Towing in route to tow his vehicle.

Mr. Clark's four year old grandson was a passenger. His information is added to the persons section of this report. None of the parties involved complained of injuries; or asked for medical treatment and there were no apparent injuries.

I then observed a white Chevrolet S-10 truck identified by Missouri registration 7AS151 vehicle two (V2). I spoke to the driver, Mary Mills identified by her Missouri driver's license. She told me she stopped at the flashing red stop light. Mrs. Mills said she did not see anyone and entered the intersection and was struck by V1. V2 had damage to the front right fender above and around the front right tire. The tire was flat. Mrs. Mills advised she was going to call someone to get a tire put on the truck, because she did not have a spare tire.

Due to the vehicles being moved prior to my arrival I was not able to determine which vehicle had the right away.

I gathered information for this report and filled out the Accident Information forms for Mr. Clark and Mrs. Mills.

Nothing Further.
