NARRATIVE / STATEMENTS CONTINUATION / SUPPLEMENT

MAIN NARRATIVE

On 09-29-2015 I responded to a non injury three vehicle traffic crash at the intersection of Business 49 and West South Street in Neosho, Missouri.

Upon my arrival I observed vehicle one (V1) a green 1993 Chevrolet Silverado truck identified by Missouri registration 4CU924 sitting in the south bound lane of Business 49, right at the intersection. V1 had major front end damage.

I also observed vehicle two (V2) a white 1999 Dodge Ram 1500 truck identified by Missouri registration 8kg552 sitting in the south bound lane of Business 49, in the intersection. V2 had damage to the rear end.

I then observed vehicle three (V3) a black 2011 Kia Forte passenger car identified by Missouri registration HL0R9V sitting on the south bound shoulder of Business 49, just south passed the intersection. V3 had minor damage to the back bumper.

I then spoke to witness, Rustin Harris identified by his Missouri driver's license. He told me he saw the crash. Mr. Harris said he was traveling North bound on Business 49. He told me V3 was stopped on Business 49 to turn left onto West South Street and V2 was stopped behind V3. He said V1 struck V2 in the back, propelling V2 into the back of V3.

I spoke to the driver of V1, Phillip Ross identified by his Illinois driver's license. He told me the same story as the witness. Mr. Ross was not injured and did not request medical attention. Mr. Ross had his vehicle towed by Dickson's towing.

I spoke with the driver of V2, Riley Hutsell identified by his Missouri driver's license. He told me that V1 hit him in the rear end. Mr. Hutsell said his vehicle went into the back end of V3. Mr. Hutsell was not injured and did not request medical attention. His vehicle was operable and he drove it from the scene.

I spoke with the driver of V3, Benjamin Montez identified by his Missouri driver's license. He told me he was stopped waiting on oncoming traffic, so he could turn left onto West South Street and V2 struck him in the rear end. Mr. Montez was not injured and he did not request medical attention. Mr. Montez's wife was a front seat passenger in V3, Tabitha Montez identified by her Missouri driver's license. She complained of her shoulder hurting a little, but refused any medical attention. V3 was operable and it was driven from the scene.

Accident Information Forms were filled out and given to all parties.

Nothing Further.
