9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 10/10/2015 at 1138 hours, I responded to the intersection of Highway 60 and Highway 59 to take a traffic crash report.

I arrived at the intersection of Highway 60 and Highway 59. I saw a blue Nissan Xterra facing north on the left shoulder of Business 49 north of the intersection, displaying Missouri registration (CJ4X3S). The vehicle had a large amount of damage to the front end.

I saw a black 2005 Ford F150 facing east on Highway 60, east of the intersection displaying Missouri registration (3SB545). The Ford had a large dent on the passenger rear side of the bed. I asked both drivers if they were okay. They stated they were not injured. I asked the driver of the Ford, Stacey Rutledge; what happened. He said he was in the turn lane on Business 49 attempting to turn east onto Highway 60. He stated he was talking to his son who was a passenger in the vehicle. He stated he was distracted and his son told him that he was going through a red light. Mr. Rutledge said that is when the crash occurred. His son, Corey Rutledge was seated in the front passenger seat at the time of the collision. There were no injuries on his person.

I spoke with the driver of the blue Nissan, Brandy Sellers. She stated she was driving north on Highway 59. She said the light was green and she went straight. Ms. Sellers said the collision happened in the center of the intersection. There is no evidence on the roadway that showed Ms. Sellers attempted to slow down prior to the crash.

I exchanged insurance information with both drivers and took photographs of the damage sustained to each vehicle. Copies of the photographs are attached to this report.

Nothing further at this time.
