9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 10-12-2015 I was dispatched to North College Street near the intersection of La-Z-Boy Drive in reference to a traffic crash. A traffic crash report was taken.

I arrived on scene and observed a black Ford F-350 (V1) and a silver Nissan Cube (V2) facing north in the north bound lane of College Street. V2 had rear end damage, but was still operable and V1 had some damage to the front end.

I made contact with two witnesses that observed the crash occur. Both stated V1 was traveling north on College Street. They explained V2 turned right off of La-Z-Boy Drive onto College Street and proceeded north in front of V1. They explained V2 pulled out in front of V1, but that V1 should have had time to stop before the collision occurred. They both stated they thought V1 was speeding and that is why he was unable to stop in time to avoid the collision.

I spoke with the driver of V2, Carol Dale. He explained he had already made his turn onto College Street and was heading north when he was struck from behind by V1. He stated he did not know anything else.

He had a laceration on his arm and was treated on scene by the Paramedics. Mr. Dale refused further medical care.

I spoke with the driver of V1, Dalton Roberts. He explained he was traveling north on College Street when V2 pulled out in front of him. He explained he slowed down, but he thought V2 would accelerate faster. He stated when he knew he was going to strike V2 he pressed harder on his brakes causing his vehicle to skid. He explained he collided with the rear end of V2.

I spoke with the passenger of V1, Jared Kelsey. Mr. Kelsey's story coincided with Mr. Roberts's story. Mr. Kelsey said they were probably traveling at approximately 45 miles per hour, but that V2 pulled out to quick for V1 to stop in time.

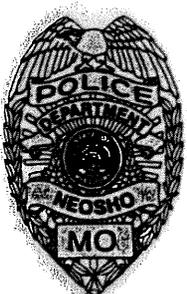

Nothing else follows.

Subject: Accident Case #: 1015-126 Date: 10/12/15 Time: 2:30

I was setting westbound on college st. behind a silver ford ranger that was waiting to turn left on hazy-bay Dr. when a silver Kia Soul decided to turn right onto college st. in front of an oncoming Ford F250 which, in my opinion was traveling a wee fast and struck the KIA in the rear after skidding a short distance.

NEOSHO POLICE DEPARTMENT  
VOLUNTARY STATEMENT FORM

Subject: Accident Case #: 1015-126 Date: 10/2/15 Time: 2:30

Silver vehicle turned right onto N College Street from LA-2-Box Drive  
in front of truck. The truck appeared to be speeding (faster than 35 MPH)  
The silver vehicle seemed to have pulled out too soon and was  
struck by the truck in behind. The driver of the truck did not  
appear to be paying attention as due to speeding was unable to  
stop before hitting the silver vehicle.
