9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

Upon my arrival to the scene, I observed a white pickup truck in the parking lot next to Payday Loans with heavy side damage and a male standing next to the truck. I made contact with the driver and identified him by his Missouri driver license as Jordan Atkins. Mr. Atkins stated he was traveling north on Neosho Boulevard and turned left onto Harmony Street. He said when he made the turn the back end of the truck started to slide around. He said he gave the truck gas to try and correct the slide but ended up losing control and sliding off the roadway striking a pole in the ditch. He said he continued to drive out of the ditch into the parking lot so he could calm down.

I contacted Central Dispatch Center (CDC) and had them contact Mo Dot, so they were aware of the street sign's damage.

I have attached photograph's of the crash and they are attached to this report.

Nothing further.
