9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 01-15-16 at approximately 1502 hours, I was dispatched to the area of South Hamilton Street and East McKinney Street for a report of a non-injury traffic crash.

Upon arrival, I observed two vehicles parked on McKinney Street west of Hamilton Street. I spoke with the driver of a black 2013 Lexus (V2) bearing Missouri registration MF1H2N, Christiana Sims. She said she was traveling westbound on McKinney Street and was crossing Hamilton Street. She said V1 was traveling south bound on Hamilton Street and struck her vehicle on the passenger side near the rear tire.

I spoke with the driver of a silver 2006 Honda Accord bearing Missouri registration UL9G0V (V1), Cherios Sapuro. He said he was traveling southbound on Hamilton Street nearing the intersection of McKinney Street and V2 pulled out in front of him. He said he tried to stop but did not have enough time to get stopped before colliding with V2.

V2 had a passenger who was identified as Shauna Norris. After speaking with all parties in the vehicles, it was determined that no one was injured in the crash. Both vehicles were drivable and were driven away from the scene by their respective drivers. Both vehicles were moved prior to my arrival.

I have nothing further at this time.
