9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On February 11, 2016 at about 1559 hours, I was dispatched to the intersection of S. Neosho Blvd and W South Street in reference to a traffic crash.

I responded and spoke with Julie Lara, driver of vehicle 1. Ms. Lara stated she was traveling east on South Street and was approaching the intersection with Neosho Blvd. Ms. Lara said as she was approaching the intersection she observed her light was green so she proceeded through the intersection. She said as she was in the intersection vehicle one turned south in front of her.

Ms. Lara stated she was unable to stop and struck the passenger side of the vehicle one. She stated she was not injured as a result of the crash. I observed the front passenger corner of vehicle 1 was damaged as a result of the crash.

I spoke with Casey King, driver of vehicle 2. Mr. King said he was traveling east on South Street approaching Neosho Blvd. He stated as he was entering the intersection to turn south, he observed the light was a solid green circle. Mr. King stated there were two vehicles in front of him that also turned left. Mr. King said he did not observe any vehicles traveling east so he turned.

Mr. King stated as he was turning left, vehicle 1 entered the intersection and struck the side of his vehicle. Mr. King stated he was not injured as a result of the crash. I observed the passenger side of vehicle 2 was damaged as a result of the crash.

Ms. Lara only had her drivers permit and not a valid license. A licensed driver responded and picked up Ms. Lara and the vehicle.

I photographed the damage to both vehicles and the photographs are attached to this report. The vehicles were moved prior to my arrival and no measurements were taken.
