9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 02/22/2016 at 1402 hours, I arrived at the 100 block of South Wood Street to take a report of a traffic crash that occurred near the intersection of North College Street and West Coler Street.

I arrived at 101 South Wood Street and spoke with Francine Newman. Ms. Newman stated a gold Ford Expedition backed into her while she was stopped on North College Street north of West Coler Street. She said the Ford backed into her and they met at a nearby parking lot to exchange information. She said while she was looking for her insurance card, the driver of the Ford took off.

I looked at Ms. Newman's vehicle. She was driving a black 2004 Chevrolet Impala displaying Missouri registration KM0T8P. I noticed the front of the Chevrolet was damaged. The hood was bent upwards and there was gold paint on the front bumper. I later responded to the area of the traffic crash. I saw a small amount of debris in the roadway. It appeared to be a broken headlight or taillight lens. It measured 98 Feet north of West Coler Street. Ms. Newman stated the suspect vehicle had a license plate of 6SV328.

I later contacted the owner of the Ford, Raemond Pettry. Mr. Pettry stated his girlfriend; Amanda Farmer had been driving the vehicle that day. Ms. Farmer contacted me by phone and stated she could speak with me the next day.

On 02/23/2016 I spoke with Ms. Farmer at the Neosho Police Department. She stated she was stopped at the stop light and was planning on turning west on Coler Street. She said as she was stopped, the driver of the Chevrolet struck the rear of her vehicle with the front of the Chevrolet. She said after the collision, she met the other driver, Ms. Newman; at a nearby parking lot. She said Ms. Newman told her that she did not have insurance and that Ms. Newman told her if she and her daughter were ok that they could leave. I looked at Ms. Farmer's vehicle, a gold 2000 Ford Expedition displaying Missouri registration 6SV328. I saw minor damage all over the vehicle including the rear. Ms. Farmer stated the damage that was present was there prior to the crash. Ms. Farmer's daughter, Bailey Cadwell was seated in the rear of the vehicle during the crash. She was uninjured.

I watched video surveillance footage from 301 West Coler Street. I was unable to see the crash on video but I did see both vehicles pull into the parking lot. I saw the drivers speak to each other then Ms. Newman and Ms. Farmer left at the same time.

I have attempted to contact Ms. Newman to verify her story but have been unsuccessful. Both drivers are stating different things and there is no evidence to support either claim. I have attached photographs of Ms. Newman's vehicle. Ms. Farmer's vehicle was not damaged.

Nothing further at this time.

Accident No.	0216-182	Supplement No.	0216-182-001
Reported	02/24/2016 13:35:43	Wednesday	

CR

On 02-22-2016 Officer Cooper worked a traffic crash at the intersection of Coler Street and College Street. At the scene driver one, Francene Newman told Officer Cooper that Driver two, Amanda Farmer backed into her. Mrs. Farmer said that Mrs. Newman struck her in the rear. She also advised after the collision they met in a parking lot and Mrs. Newman told her she did not have insurance and if everyone was ok, she could leave.

On 02-24-2016 Francene Newman called the Neosho Police Department in reference to this traffic crash. She stated she was calling for Officer Cooper, she said she assumes he wanted to give her the report number.

I asked her if there was anything she wanted to add how the accident occurred. I told her there would probably be some video footage from one of the businesses by the intersection. Mrs. Newman said, "ya I bumped into her in the rear". Mrs. Newman also said that the other vehicles back up lights were on.

I have added this supplement for further investigation.
