9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 02-25-2016 around 1729 hours, I was dispatched to the intersection of Neosho Boulevard and Johnson Drive for a non injury traffic crash report.

Prior to my arrival Central Dispatch Center (CDC) stated both vehicles involved were removed from the roadway and they were parked across the street.

Upon my arrival to the scene, I observed a black GMC Terrain sport utility with front end damage. This vehicle will be referred as vehicle one (V1) in this report. I also observed a grey Ford F150 pickup truck with damage to the passenger side rear end of the bed. This vehicle will be referred as vehicle two (V2) in this report.

I asked both drivers if they needed any medical attention and they both denied any medical attention.

I spoke with the driver of V1, identified by his Missouri driver license as Van Cope; he stated he was leaving Casey's General Store and he was turning onto Neosho Boulevard to head north from Johnson Drive. He said when he started onto Neosho Boulevard he did not see V2 until it was too late and he struck it in the rear end.

I spoke with the driver of V2, identified by his Missouri driver license as Allen Faucette; he stated he was in the inside lane on Neosho Boulevard heading south. He said next thing he knew he was struck in the rear end.

Both vehicles were removed from the scene by the drivers.

Nothing further.
