9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On March 3, 2016, I responded to the area of Business 49 and highway 60 in reference to a traffic crash. Upon my arrival I spoke with the drivers of both vehicles. The drivers stated they were not injured and they did not want medical services to respond.

The driver of vehicle 2, Rachel Heckman, stated that she was sitting in the far right, outside, south bound lane at the intersection of business 49 and highway 60. Ms. Heckman said that she was stopped at the light when the vehicle behind her hit her in the rear.

The driver of vehicle 1, Helen Woodrum, stated that she stopped in the lane at the intersection of Business 49 and Highway 60. Ms. Woodrum said that she thought the vehicle in front of her started to go so she let off her brake and then she struck the vehicle in front of her. Ms. Woodrum said that she didn't see that the vehicle in front of her was still stopped.

Both vehicles were moved to the side of the road before my arrival. I was not able to identify the exact impact location to take any measurements at the scene. Both vehicles were released from the scene.

I have nothing further to report at this time.
