9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 04-12-2016 I was dispatched to the intersection of Kodiak Road and Business 49 in reference to a traffic crash. A non-injury traffic crash report was taken.

I arrived on scene and observed two vehicles parked in the middle turn lane of Business 49. Both vehicles were able to be moved so I directed traffic so the driver's could pull into a close business driveway.

Vehicle 1 (V1) was identified as a Pontiac Grand Am and Vehicle 2 (V2) was identified as a Dodge Durango. V1 had damage to the passenger side rear tire area and V2 had damage to the driver side front quarter panel and tire.

I spoke with the driver of V1, Sasha Ohearon. She explained she was traveling east on Business 49 when V2 pulled out in front of her off of Kodiak Road. She stated she tried to stop to avoid the collision; but was unable to and struck V2.

The driver of V2, Diana Martin stated she was stopped at the stop sign on Kodiak Road waiting to turn left onto Business 49. She stated she did not see V1 and started to make her turn. She said the V1 struck her and she pulled into the center turn lane.

Both drivers reported having no injuries and both were responsible for removing their vehicles.

Based on both drivers statements and the physical evidence caused by the traffic crash; I found that V2 failed to yield the right of way and pulled out into front of V1 off of Kodiak Road.

Nothing else follows.
