9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 4/13/16 at around 2136 hours officers were dispatched to the area of Highway AA and Kodiak Road in reference to a rollover vehicle accident.

I arrived on scene at 12952 Highway AA and found Vehicle 1(V1) a 1995 red Ford Ranger bearing Missouri registration 0KX902 in the ditch upside down. I made contact with Driver 1 (D1) Aaron Russell and Passenger1 (P1) Lexus Clark who were both out of the vehicle on their feet and had no apparent injuries. P1 advised she was seven months pregnant and the baby wasn't moving anymore and wanted an ambulance to check on the baby.

I spoke with P1 who advised her and D1 were traveling westbound on Highway AA when they went off the road and landed in the ditch. P1 stated she was unsure how or why they had gone off the road. P1 said she and D1 were both wearing their seatbelt and exited the vehicle by breaking out the driver's side window.

I spoke with the land owner and reporting party, Melvin Holloway. Mr. Holloway advised he heard the crash and looked out to see the truck over turned in the ditch in front of his house. Mr. Holloway said he called 911 and checked on the occupants. He said he didn't see any real property damage other than the ground being torn up.

I spoke with D1 and asked him what had happened. He stated he was traveling westbound on Highway AA when the truck dropped off the shoulder and ran off the road. I noted the there was skid marks leading from the south side of the road to the north side were V1 went off roadway. I asked D1 if he drifted into the eastbound lane and over corrected. D1 said it was possible but he was unsure. He stated he was not injured as a result of the crash.

I have nothing further to report.
