9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On April 15th 2016 an officer responded near the intersection of Highway 60 and Business 49 to take a vehicle crash report.

Upon my arrival near the intersection of Highway 60 and Business 49 I observed several vehicles parked on Business 49 facing north. I observed Neosho Fire Department talking with several people, the vehicles were moved from the crash scene prior to law enforcements arrival.

I made contact with the driver of V1 identified as Mr. Mikeal Fuller. He said he turned off of Lusk Drive onto Highway 60 going east, as he was approaching the intersection the traffic had stopped and he tried to stop and couldn't. He said he struck the rear end of V2. I asked if anyone in his vehicle was injured and he said no one was injured.

I made contact with the driver of V2 she was identified as Ms. Deborah Murphy. She said she was at the stop light at Highway 60 and Business 49 when she felt the impact to the rear of her vehicle causing her to move forward and strike the vehicle in front of her. I asked if anyone in her vehicle was injured, she said no one was injured.

I made contact with the driver of V3 he was identified as Mr. John Rose. He said he was sitting at the stop light waiting for it to turn green when he felt an impact to the rear of his truck. He said the impact made his truck move forward slightly and strike the rear of the vehicle in front of him. I asked if he was injured, he said he was not injured.

I made contact with the driver of V4 she was identified as Ms. Diane Jones. She said she was sitting at the stop light and all of a sudden she felt a slight bump on the rear of her vehicle. I asked if anyone in her vehicle was injured, she said no one was injured.

Photographs were taken of the damage to all vehicles and the photographs will be attached to this report.

Nothing further at this time.
