9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 04-29-2016 I responded to the intersection of North College Street and Washington Avenue in reference to an injury traffic crash.

Once on scene I observed vehicle 1 (V1) disabled at the intersection in the north bound lane. V1 was identified by Missouri registration HK2A5H. V1 was a 2006 silver Pontiac. I then observed Vehicle 2 (V2), it was also facing north, but it was approximately 40 feet north of the intersection. V2 was identified by Missouri registration 2PS711. V2 was a 1989 blue over white Ford F-150.

I spoke with the driver of V2 and he had apparent injuries, none disabling and he complained of his neck hurting. He told me he was slowing up to turn onto Washington Avenue with his left blinker on and V1 struck his vehicle in the rear bumper area. The driver of V2 was Hunter Clark identified by his Missouri driver's license. Mr. Clark was later transported to Freeman Neosho by the Newton County Ambulance.

I then spoke with the driver of V1, Mikayla Ramsey identified by her Missouri driver's license. Ms. Ramsey told me she saw V2 slowing up and she hit her brakes, and she said she hydroplaned right into the back of V2. Ms. Ramsey also had apparent none disabling injuries and complained it was hard to move. Ms. Ramsey was later transported to Freeman Neosho by a family friend that had pulled up on the scene.

I must add that when this crash occurred it was pouring down rain.

Poore's Towing, towed both vehicles from the scene, at both owner/ driver's request.

Nothing further.

10. REPORTING AND REVIEWING OFFICER INFORMATION
