9 - NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On May 4th 2016 at approximately 15:47 an officer responded to the 3200 block of Howard Bush to take a vehicle crash report.

I was travelling North on Howard Bush Drive nearing the intersection of Howard Bush Drive and Industrial. I observed two vehicles sitting in the road way of Howard Bush Drive, upon my arrival I determined the vehicles collided.

I made contact with the driver of V1, he was identified by his Missouri valid Operator's License as Mr. Charles King. I asked him he needed Emergency Medical Services (EMS) to respond for any injuries he might have. He said he did not have any injuries and was fine. I asked him what caused this accident, he said the traffic slowed down faster than he could and he hit the car in front of him. I asked if he had insurance for this vehicle, he said he did and provided me with proof of insurance. The insurance information will be in this report.

I made contact with the driver of V2, he was identified by his valid Missouri Operator License as Mr. Brian Castillo. I asked him if he needed EMS to respond for any injuries he might have. He said he did not have any injuries. I asked him what caused this accident, he said he slowed down for traffic and he was hit from behind. I asked if he had insurance for this vehicle and he said he did not have insurance.

Nothing further at this time.
