9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 05-06-16 at approximately 1757 hours, I responded to the area of Coler Street and Brook Street for a report of a non-injury traffic crash.

I was on patrol in the area and observed two vehicles on the side of the road that were apparently in a traffic crash. Upon making contact, it was determined that there was a traffic crash at that location.

I met with Zachery Ankney, identified by his Missouri driver's license. He said he was driving a silver 1997 Volvo 960 bearing Missouri SA2T1A and was traveling northbound on Coler Street. He said he did not see that the vehicle in front of him had stopped in traffic and he ran into the back of the other vehicle. He said he was not injured in the traffic crash and his vehicle was drivable.

I spoke to Christopher Ray, identified by his Missouri driver's license. He was driving a black 2012 GMC Sierra bearing Missouri registration 3CW942. He said he was traveling northbound on Coler Street and a vehicle was turning into Burr's Auto. He said he slowed to let the vehicle clear the roadway and was struck from behind. He said he had two passengers in the vehicle; Lana Ray identified by her Missouri driver's license, and Cooper Ray, a child. None of the occupants of his vehicle were injured and his vehicle was also drivable.

I collected all of their information and exchanged information for them. Both drivers were able to drive their vehicles away from the scene.

I have nothing further at this time.
