On June 2nd 2016 at approximately 15:52 an officer responded near the intersection of Highway 60 and Howard Bush Drive to take a vehicle crash report.

Upon my arrival I made contact with the driver of V1, she was identified by her Oklahoma ID as Ms. Shaylah Payton. She said she was going east on highway 60 when the traffic started slowing down and stopping. Ms. Payton said she was unable to stop and hit the truck in front of her. I asked if she needed any medical treatment from Emergency Medical Services (EMS). She said she did not have any injuries and did not request EMS to respond. I requested proof of insurance for the vehicle, she was able to provide valid proof of insurance and this information has been entered into this report.

I made contact with the driver of V2, he was identified by his Missouri Operator License as Mr. Gene Tony. He said he slowed down and came to a stop because of the traffic in front of him stopping. The next thing he knew he felt an impact to the rear of his vehicle. I asked if he had any injuries and needed EMS to respond. Mr. Tony said he did not have any injuries and did not request EMS to respond. I requested proof of insurance for his vehicle. He was able to provide valid proof of insurance, this information has been entered into this report.

I photographed the damage to both vehicles and the photographs have been entered into this report.

Nothing further at this time.
