ADDITIONAL DAMAGED PROPERTY

OWNER: (DOT) Missouri Department of Transpo - 1300 S NEOSHO BD NEOSHO, MO 64850 - (417) 451-7007

PROPERTY: SIGN - MODOT SIGN - Estimated Damages: \$250.00

MAIN NARRATIVE

On 06-07-2016 at approximately 1138 hours, Officers responded to the intersection of Business 49 and Northwest Boulevard for a report of a traffic crash.

Upon my arrival, I noticed a silver Honda CRV which collided with a guard rail north of the train tracks. The vehicle appeared to have been travelling south and left the roadway to the right, running over a sign and damaging a guard.

I made contact with the driver of the vehicle, identified by her Missouri Driver's License as Burney Moss. Ms. Moss said she was driving south on Business 49. She said she looked up for a moment at the train which was parked on the bridge above the roadway. She told me she was not sure what happened after that. She said the next thing she remembered was the crash. Ms. Moss stated she thinks she was just distracted but also stated she felt confused.

Ms. Moss was transported to Freeman Hospital in Joplin. She had a nose bleed and stated her chest hurt. I asked her if she hit the steering wheel or windshield and she said she didn't know.

At the request of the owner, a nonpreference tow company was contacted. Dickson Towing responded to remove the vehicle.

The Central Dispatch Center contacted the Missouri Department of Transportation (MODOT) and informed them of the damage to their sign and guard rail. MODOT said that they would be sending a crew to inspect the damage shortly.

At the conclusion of my investigation, I determined Ms. Moss provided the probable contributing circumstance of of the crash was her inattention.

I have nothing further to add at this time.
