9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 07/21/2016 at approximately 2049 hours, I responded to the intersection of Walnut Street and South Neosho Boulevard to take a report of a vehicle crash.

Upon my arrival I observed a gray Hyundai Azera (V2) bearing Mo UL5R2D with front end damage facing northbound on Neosho Boulevard and a red Dodge pickup (Mo 9HN304) with damage to the front driver side facing northbound on Neosho Boulevard. I also noticed both lanes going northbound on South Neosho Boulevard were blocked by both vehicles.

I made contact with the driver of the Hyundai Eric Higgins (identified by Missouri identification). Mr. Higgins informed me that he was traveling northbound on Neosho Boulevard when he was struck by another vehicle on the passenger side of his vehicle. Mr. Higgins advised me that his children were also in the vehicle with him at the time of the crash.

I asked Mr. Higgins where his children were located; he stated that Eilanor Higgins was in the back passenger seat on the driver side, Wyatt Higgins was in the back passenger seat on the passenger side and Julianna Anders was sitting in the middle of the back seat. I asked Mr. Higgins if there were any injures, he stated no.

I made contact with the driver of the Dodge Aaron Hawkins (identified by Missouri identification). Mr. Hawkins advised me that he was at the stop sign on Walnut Street and thought that he noticed the gray Hyundai signaling and when he pulled out onto South Neosho Boulevard he struck the front end of the other vehicle. I asked Mr. Hawkins if he had any injures, he stated no.

Ron's towing and Poore's towing arrived and towed both of the vehicles, due to the fact that both vehicles were non drivable. Newton County medical personnel checked everyone that was involved; no one was transported to the hospital. Measurements was not taken due to the fact the both vehicles where in different positions upon my arrival.

Nothing further.
