9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 07/29/2016 around 1531 hours I was dispatched to a non-injury traffic crash at the intersection of the Neosho Boulevard and Business Highway 49. Upon my arrival I observed no damage to the front of vehicle 1 (Gold Ford Windstar). I then spoke with the driver of vehicle 1 identified by a Missouri Drivers License as Katelyn Johnston. Ms. Johnston stated she was trying to slow down prior to driving through the intersection but her brakes failed causing her to hit the back of vehicle 2 (Red GMC Canyon). She also stated that she had no injuries and did not need any medical treatment. I did not check to see if the brakes were faulty due to high traffic in the area.

I then spoke with the driver of Vehicle 2 identified by a Missouri Drivers License as Molly Hall. Ms. Hall stated that She and her infant daughter were slowing down to drive through the intersection and she was hit from behind by the driver of vehicle 1. Ms. Hall stated that she did not need any medical attention.

I observed minnor damage to the left side of the rear bumper on Vehicle 2. Neither Vehicles were towed from the scene and no one was transported for medical attention. Due to high traffic at the time and both vehicles being moved from the roadway before my arrival, no measurements were taken.
