<p>On 09-12-2016 I responded to South Neosho Boulevard and Walnut Drive in reference to a two vehicle non injury traffic crash. The vehicles pulled into the parking lot of Sonic. Once at Sonic I made contact with Ginger Perkins identified by her Missouri driver's license. She was driving a white 2006 Subaru Impreza identified by Missouri registration, which is vehicle two (V2). I also made contact with Jennifer Nenneman identified by her Missouri driver's license. She was driving a silver 2016 Chrysler 300C identified by Missouri registration, which is vehicle one, (V1).</p> <p>Mrs. Perkins told me she was driving north on South Neosho Boulevard. She advised she was in the inside lane and V1 pulled out of the Arby's parking lot. Mrs. Perkins advised V1 was driving in the turn lane, and she thought the vehicle was going to stay there until she got by it, but it did not and drove into the back driver's side wheel area of her vehicle.</p> <p>I then spoke to Mrs. Nenneman, she told me she pulled out of Arby's and when she pulled out she advised V2 was in the outside lane, but she said, "I guess for some reason she changed lanes and she collided with V2".</p> <p>I took photographs of the vehicles and filled out the Accident Information Forms for both drivers. When I gave Mrs. Nenneman her paperwork, her story was a little different. She then told me V2 basically cut her off, striking her, telling me she had already turned into the left lane and was headed north when the crash occurred.</p> <p>Both parties had no apparent injuries and they drove their vehicles away from the scene.</p> <p>Nothing further.</p>
