9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On 10-23-2016 at approximately 1528 hours, Officers were dispatched to a traffic crash near the Intersection of Pineville Road and Daugherty Road.

Upon my arrival I observed a red Ford Mustang bearing Missouri KK7WOS. The Mustang drove off the road and went through a barb wire fence into a field and was stopped against another section of fence that runs parallel to Daugherty Road. I spoke with Mr. Blake Williams who was the driver and was identified by his Missouri driver's license. Mr. Williams stated his vehicle pulled to the right then he tried to gain control of the vehicle by turning his steering wheel left and when he did that he overcorrected and drove off the left (east) side of the road into the fence. He stated he has been experiencing "issues" with his vehicle.

After speaking with him, I spoke with Ms. Amber Villagran, who was the passenger. Ms Villagran was sitting down on the ground on the passenger side of the vehicle because she could not stand up due to an apparent injury to her foot. Her foot appeared to be bleeding and possibly broken. Newton County Central Dispatch already had an ambulance en route prior to my arrival. When EMS arrived at the scene they took Ms. Villagran to Neosho Freeman Hospital for her injuries.

A short time later, Ron's Towing arrived on scene for the vehicle. After the vehicle was removed I observed there to be damage to the barb-wire fence on the west side of the property where the vehicle entered. The Mustang sustained heavy damage to the front end and other damage; mostly scratches caused by the fence.

It should be noted the Department of Motor Vehicle's return shows Heather Thorne's last name incorrectly. The correct spelling is listed on the vehicle page.

Nothing further.
