9. NARRATIVE / STATEMENTS (If additional room is necessary, use Section 11 - Narrative / Statements Continuation)

On November 9th 2016 at approximately 16:30 an officer responded near the intersection of West Coler and West Harmony Street to take a non injury vehicle crash report.

On November 9th 2016 at approximately 16:30 I was dispatched to the intersection of West Coler and West Harmony Street to take a non injury vehicle crash report. While en route I was advised by Central Dispatch the vehicles were moved to a parking lot west of the intersection. Upon my arrival to the area I observed the vehicles parked on the parking lot of Orchelin Farm and Home store located at 840 West Harmony Street.

I made contact with the driver of V1, she was identified by her Missouri Operator License as Ms. Brenda Essary. Ms. Essary said she was merging onto West Harmony from West Coler, as she was merging she could not see the vehicle in front of her because of the sun in her eyes. Ms. Essary said she thought the vehicle in front of her continued onto West Harmony Street and she proceeded to merge onto West Harmony. Ms. Essary said the next thing she knew she had struck the rear of the vehicle in front of her. I asked for proof of insurance, she was able to provide me with valid proof of insurance.

I made contact with the driver of V2, she was identified by her Missouri Operator License as Ms. Angela Bridges. Ms. Bridges said she was merging onto West Harmony Street from West Coler Street when she felt a bump. Ms. Bridges said she was barely moving when she felt the impact to the rear of her vehicle. I asked if she had proof of insurance, she was able to provide me with valid proof of insurance.

I photographed the damage to both V1 and of V2, the photographs will be attached to this report.

I have nothing further at this time.
